NESO Annual Conference and COVID-19 Protocols

Safety of our attendees, staff, and the community-at-large is our top priority. Currently, we intend to proceed with conducting an in-person Annual Conference. This event will be a fraction of the size of our traditional conference (150 attendees) and will employ appropriate health and safety protocols in partnership with the Ritz Carlton Boston (Marriott), and in accordance with local and state guidelines.

NESO will comply with the City of Boston's mandate that masks must be worn in all indoor public settings with the exception of when eating or drinking.

Attendees are asked to please be prepared to present a photo or a hardcopy of your full vaccination record OR a photo or copy of a negative COVID-19 test that has been taken within 72 hours prior to your arrival to the meeting. These materials will be requested of you when you pick up your name badge at the NESO Registration Desk.

If you are unable to provide a photo or a hardcopy of your full vaccination record and/or a copy of a negative COVID-19 test that has been taken within 72 hours prior to your arrival to the meeting, please send an email to registration@neso.org by Monday, November 1, 2021 to cancel your registration. Cancellations made before this date will be honored without penalty.

As you know, conditions surrounding the pandemic continue to evolve. We will alert all registered attendees of any updates, changes, and protocols as we get closer to the event. If you have any questions, please don't hesitate to contact a member of our management team at 800.981.9476 or via email at info@neso.org.
